TO: Board of Public Works and Safety

FROM: Patty Johnson

DATE: May 23, 2018

Per the Board of Works request The Noblesville Preservation Alliance discussed the closure of Logan Street between 11th and 14th Streets with Randall & Roberts. Randall & Roberts expressed their wishes for them to move the closure just east of 12th Street. NPA is now requesting to close Logan Street between 12th and 15th Streets for their historic home tour and celebration. I have attached a new map and signatures of all the residents that live on Logan Street between 12th & 15th Streets. Please feel free to contact me if you have further questions. Thank you

Noblesville Preservation Alliance – Historic Home Tour
September 15th 2018

This year, we would like to add a new facet to the tour by recreating parts of the 1923 Centennial Celebration, which included entertainment and a community wide pitch-in on a few cordoned off blocks of Logan Street - exactly where we wish to celebrate this year! If we are able to close the requested area of Logan Street, we will create a promenade of costumed volunteers and entertainers (representing all decades of our community's history, from 1823 to present day), and involve local churches and civic organization in providing food for those gathered at tables set up in the street – as was done in 1923.

Your signature will signify your support of this day of community celebration, which will allow you and many others to enjoy a day of music and fun – without dealing with traffic!

Logan Street, between [redacted] and ~~14th~~, will be closed from 9:00 am till 5:30 pm.
