**SUBJECT:** Board to consider permission to advertise for bids for the Lift Station 2 interceptor project.

**DATE:** February 11, 2025

---

Utilities is requesting the Board grant permission to advertise for bids for the Lift Station 2 interceptor project. Utilities will be placing a parallel 48" interceptor to the current Stony Creek interceptor that feeds into Lift Station 2 located on South 10<sup>th</sup> Street. This project will also modify the current Lift Station to install a bypass pump functionality that we do not currently have.

Estimated costs for this project are 1.1 million dollars.

Thank you for your consideration.
