**DATE: MAY 13, 2025**

---

The Noblesville Fire Department is requesting the Board's approval to advertise for bids from boat manufacturers for the purchase of a new fireboat to be stationed at Morse Reservoir. This new boat will replace the current fireboat which was bought in 2005 and is aging out of service. The new fireboat will come with the necessary sonar equipment as well as firefighting and dive upgrades. Some of these upgrades cannot be added to the current boat due to its design and age. This purchase was planned for and budgeted for this year.

Thank you for your consideration.
