This Agreement is between the City of Noblesville, Indiana, (hereinafter referred to as "City") on behalf of the Noblesville Police Department, (hereinafter referred to as "Department") and the Noblesville Fraternal Order of Police Lodge 198 (hereinafter referred to as "FOP"). This Agreement arises out of the meet and confer process set out in Indiana Code (I.C.) 36-8-22. It is not and shall not be construed as a collective bargaining agreement for purposes of federal labor laws or any state labor laws except I.C. 36-8-22. All police employees of the Department are included in this agreement except for the Police Chief, Assistant Chief(s), Deputy Chief(s) and civilian employees.

WITNESS: That to facilitate harmony and efficiency to the end that the City and the FOP and the general public may mutually benefit, the City and the FOP have the following understanding:

Article I - Period of Agreement

Section 1 – Duration

This Agreement shall take effect January 1, 2022 and shall continue in force and effect until 12:00 midnight, December 31, 2023. If no agreement is reached by 12:00 midnight, December 31, 2023 this agreement shall remain in effect until a new agreement is reached. However, this agreement shall terminate automatically 48 months after its beginning term date if no new agreement is reached, as required by I.C. 36-8-22-16. This Agreement shall remain in full force and effect, unless either party desiring to amend this agreement shall notify the other in writing. Notice of a request for amendment shall specify the content of any and all proposed amendments. The parties agree to begin good faith negotiations on a future Agreement no later than June of 2023.

Section 2 – Complete Agreement

This document and associated side letters constitute the sole and complete agreement between the parties. All terms and conditions of employment not covered by this agreement shall continue to be subject to the City's and Department's direction and control.

Section 3 – Separability

In the event that any provisions of this agreement are found to be inconsistent with existing State/Federal statutes or laws, the provisions of such statutes or laws shall prevail; if any provision herein is found to be invalid and unenforceable by a court or other authority having jurisdiction, then

such provision shall be considered void, but all other valid provisions shall remain in full force and effect. The parties hereto agree to notify the other of any ruling in that regard.

Article II - Conditional Recognition

Section 1 – Recognition

Pursuant to Indiana Code 36-8-22, the City recognizes the FOP as the exclusive recognized representative for the police officers of the City of Noblesville for the purpose of meeting and conferring with respect to issues concerning wages, hours of employment, fringe benefits, and appropriate mutual concerns in the Police Department. The City shall not negotiate with any other employee group representing or purporting to represent police officers covered by this agreement.

The City shall remit such monies, together with the appropriate records, to the FOP or its designated official. The City shall not be liable to the FOP for any failure to make such deductions. In the event of an overcharge already remitted to the FOP, it shall be the sole responsibility of the FOP to adjust the matter with the employee. The FOP will indemnify the City and hold it harmless from any or all claims or liabilities, which arise under this paragraph.

The FOP is allotted a total of 80 working hours per calendar year for the President or Vice President (or Designee) to attend such gatherings. In the event that the President and Vice President of the FOP are unable to attend said gatherings or functions, the FOP may petition the Police Chief to approve an alternate attendee for the FOP. FOP time shall be construed as time off from scheduled duty day, with pay. Time off shall be based on the understanding that the representative was on duty and not penalized in any way for the time off. The FOP shall inform the Department within a reasonable time but no less than 24 hours prior to the date or time when the leave is to be taken. FOP time leave can be denied if there is a conflict with shift minimum scheduling and a suitable replacement for the representative cannot reasonably be arranged.

- d. All other hours, scheduled and unscheduled, shall be paid pursuant to the provisions of the FLSA or in accordance with any applicable section of this Agreement.

Section 7 – Call-In Time

- a. When employees covered under this Agreement are called in on non-scheduled days, (hereinafter referred to as “Call-In Time”) then the police officer shall be compensated for a minimum of two (2) hours when called in to duty and for all hours worked beyond two (2) hours.
- b. The two (2) hour minimum does not apply to simple phone calls where the officer is not required to physically report to work.
- c. Overtime shall be paid as required by the provisions of the Fair Labor Standards Act (FLSA) including provisions of this Agreement.

Section 8 - Minimums Only

This Agreement sets out the minimum wages and benefits only. The City/Department may grant greater benefits to individuals or the membership in general.

Article V - Non-Discrimination

Section 1 – General Application

The provision of this Agreement shall be applied equally to all employees without discrimination as to age, sex, race, color, disability, national origin, sexual orientation, or religion, except where specific age, sex or physical requirements constitute a bona fide occupational qualification, necessary to the proper and efficient administration of the department or as provided by law. The FOP shall share equally with the City the responsibility for applying this provision of the Agreement.

Article VI – Terms and Conditions of Agreement

Section 1

This Agreement between the parties constitutes a two (2) year settlement for the calendar years 2022 and 2023 based upon the following assumptions:

- a. That the appropriate tax levies are set by the appropriate authorities;
- b. That the department receives the necessary revenues.

Section 2

In the event that any of the above conditions do not occur, then it is specifically understood and agreed by the parties that the City shall inform the FOP in writing and shall, as soon as practicable, begin new negotiations.

Article VII –Compensation

Section 1 – Regular Hourly Rates

Regular hourly base rates for year 2022:

Rank/Position	Rate / hour	Salary/26 pays
Chief*		\$4,512.04 for January through June; \$4,525.21 for July through December
Assistant Chief*		\$3,987.25
Deputy Chief*		\$3,692.01
Lieutenant	\$41.72	
Sergeant	\$37.75	
Master Patrol Officer	\$34.39	
1 st Class Patrol Officer	\$34.27	
2 nd Class Patrol Officer	\$30.63	
3 rd Class Patrol Officer	\$29.80	
Probationary Patrol Officer	\$27.41	

* As indicated above on page 4, these positions are not subject to this agreement, but are included here for informational purposes and in relation to the conditional 2023 allotment.

This agreement contains conditional commitments for 2023 that are contingent on revenues, as defined below, meeting expectations set at the time of the agreement. For hourly base rates in 2023, the City has allotted \$224,252 to be distributed amongst the ranks by further agreement between the FOP and the City. The \$224,252 increase is subject to the City meeting its revenue projections.

Revenue considered for this provision include the following: 1) Certified Shares of Local Income Tax (LIT), as defined in IC 6-3.6-2-6, and distributed to the City under IC 6-3.6-9-5; and 2) Property Tax Subject to the Maximum Levy Limitation (as defined in IC 6-1.1-18.5-3).

The comparisons used to determine if revenue is meeting expectations are as follows:

- 2021 Actual Revenue vs 2021 Forecast Revenue (as reported in the City Fiscal Plan version produced with the 2021 Adopted Budget)
- 2022 Actual Revenue Year-to-Date through June 30 vs 2022 Forecast Revenue Year-to-Date through June 30 (as reported in the City Fiscal Plan version produced with the 2022 Adopted Budget)
- 2023 Certified Shares of LIT vs 2023 Forecast LIT (as reported in the City Fiscal Plan version produced with the 2022 Adopted Budget)

If actual combined total amounts of actual revenue is below 98% of the combined total amounts of forecast revenue, the City may re-open this agreement as it relates to compensation and fiscal matters. If actual combined total amounts of actual revenue is above 104% of the combined total amounts of forecast revenue, the Association may re-open this agreement as it relates to compensation and fiscal matters. Notification of re-opening should be communicating in writing as soon as practicable following calculation of the above comparisons.

The 2023 commitments by the City contained in this agreement are not binding upon Council until their official approval and are recommendations from administration to Council for their consideration and approval. Furthermore, it should be noted that a re-opening of this agreement in no way constitutes a promise or commitment to increase, decrease, or adjust in any way the amounts specified in this agreement. A number of factors can impact the City's fiscal position and impact the capacity to adjust compensation and benefits, including expense trends and totals, unexpected significant expenses, overtime costs, utility costs, fuel costs, interest rates, and additional considerations.

The parties agree to approach all of these issues and discussions in good faith in light of shared goals and respective obligations.

Section 2 – Pay for Field Training Officer, K-9 Officer, & Detective

The current policy and procedure for Incentive Pay shall remain in force throughout the term of this Agreement. Annual Incentive Pay for employees covered under this Agreement shall be as follows:

- a. **Field Training Officer pay** – Officers acting as an assigned Field Training Officer (FTO) shall receive an additional \$2.50 per hour for the hours worked as an FTO. Supervisors will not generally receive this additional pay unless a probationary officer is assigned to the supervisor for an entire training rotation. Active FTOs shall also receive a yearly stipend of \$250. The yearly stipend shall be considered in the FTO's base pay and will apply toward calculating the FTO's overtime rate. The \$2.50 per hour does not count toward that calculation. For example, if an FTO receives overtime pay while training, the FTO will receive his/her overtime rate plus \$2.50 per hour of overtime.
- b. **K-9 Officer pay** – Officers assigned as full-time K-9 handlers shall receive annual compensation, above their regular compensation, of \$10,500.

- c. **Detective Pay** – Officers assigned as full-time detectives shall receive annual compensation, above their regular compensation, of \$2,000.

Section 3 – Longevity Pay

Longevity for years of service 1-19 is \$120 per year. Longevity for years 20-25 is \$250 per year (\$6,250 annual) with no additional yearly accrual beyond 25 years of service.

The City and the FOP agree to further discussion on this item to work toward an updated structure that aligns with retention data and goals of the department, which could lead to possible amendment prior to the termination of this agreement.

Section 4 – Pension Contribution

In addition to fulfilling its statutory obligation to the 1977 Police and Fire Fighter Pension and Disability fund, the City will contribute an additional 1.5% of the pension base on behalf of police officers' contribution to the 1977 Fund, resulting in a reduction to the police officers' contribution in the amount equal to 1.5% of the pension base. To further clarify, of the 6% of the pension base owed by police officers to the 1977 Fund, the City will pay 1.5% and the employees will pay 4.5%.

Section 5 – Holiday Pay

- a. Police officers who work on a city-recognized holiday will be compensated at the rate of one and one-half times their regular compensation rate.
- b. Police officers shall not be compensated for a city-recognized holiday if that holiday falls on a day upon which they are otherwise not scheduled to work.
- c. Police officers who are scheduled to work on a city-recognized holiday and take an approved day off from scheduled work, will receive a paid holiday at their regular compensation rate and for the number of hours scheduled to work. If at any time during the approved holiday off the police officer is called into work, he or she will receive compensation at the rate of one and one-half times his or her regular compensation rate. The paid holiday hours will not be reduced by hours worked from being called in. The holiday hours will be paid in addition to the hours worked during the call-in.
- d. For purposes of sworn officers assigned to the Patrol Division within the Police Department, holiday hours shall be defined as a 24-hour period commencing at the start of the day shift that begins on the actual holiday and terminates 24 hours later. For sworn officers not assigned to the Patrol Division, holiday hours shall be midnight to midnight on the actual holiday. By way of example, because the Police Department currently starts its Patrol Division day shift at 5:00 a.m., holiday hours for the Patrol Division would begin at 5:00 a.m. on the actual holiday and end at 5:00 a.m. the next day. Because the Police Department needs the flexibility to schedule shifts as

determined by the Police Chief, the 5:00 a.m. start date is not specifically listed herein and should be determined by the actual practice and procedure currently established for the department by the Police Chief.

Section 6 – Clothing Allowance

Employees covered under this Agreement shall be paid \$1,000 per year after the first full year of employment for clothing allowance and uniform maintenance. This payment shall be made once per year, included in the second paycheck received in February. Any employee with less than 1 year of service by the clothing allowance date shall receive a pro-rated share of clothing allowance based on the number of quarters they have been employed at a rate of \$250 per quarter.

Effective January 1, 2023, the clothing allowance agreement shall be as follows:

Employees covered under this Agreement shall be paid \$1,200 per year after the first full year of employment for clothing allowance and uniform maintenance. This payment shall be made once per year, included in the second paycheck received in February. Any employee with less than 1 year of service by the clothing allowance date shall receive a pro-rated share of clothing allowance based on the number of quarters they have been employed at a rate of \$300 per quarter.

Section 7 – Pension Base

The pension base is \$77,531.60

Article VIII - Fringe Benefits

Section 1 – Health Insurance

The City agrees to use its best efforts to maintain the current health, dental, prescription, and vision insurance plans for employees. If the cost of any such plan should be increased or become noncompetitive during the term of this Agreement, or if the carrier should add or impose objectionable terms and conditions to its plan during the term of this Agreement, the City shall be entitled to cancel such plan and to select a different plan which provides employees and retirees reasonably equivalent benefits and coverage.

The City provides a comprehensive worker's compensation insurance program at no cost to the employees. This program covers an injury or illness sustained in the course of employment that requires medical, surgical, or hospital treatment. Subject to applicable legal requirements, worker's compensation insurance provides benefits after a short waiting period. The City shall pay the employee's regular salary for the first 5 days when such employees are absent due to a worker's compensation injury. If absent for 6 or more work days, a portion of the regular salary shall be provided via worker's compensation insurance. Insurance reimbursement is made directly to the employee for the first 5 work days if an employee is absent for 21 work days. Employees shall reimburse the City the full amount of any worker's compensation received for the first 5 days. While on worker's compensation disability, employee benefits shall accrue.

An employee working light duty, full duty, or 40-hour administrative schedule who attends a worker's compensation initial or follow-up appointment during work hours will be paid for this time at a normal rate of pay. The employee will be paid for this time in the form of monetary compensation. These hours may not be banked as compensatory time.

It is the responsibility of the employee to report a work-related injury or illness IMMEDIATELY to their direct supervisor, complete the proper paperwork in a timely manner, and request that an incident report be completed and submitted to the City's worker's compensation carrier. No matter how minor an on-the-job injury/illness may appear, it is important that it be reported immediately. This will enable an eligible employee to qualify for coverage as quickly as possible.

Neither the City nor the insurance carrier will be liable for the payment of worker's compensation benefits for off-duty injuries or injuries that occur during an employee's voluntary participation in off-duty recreational, social, or athletic activity sponsored by the City.

Section 8 – Benefits Continuation (COBRA)

The City's policies regarding Benefit Continuation (COBRA) is set forth in and controlled by the City's Civilian Employee Personnel Policy Handbook.

Section 9 – Deferred Compensation

Employees covered under this Agreement shall be afforded the option of entering into a retirement program governed by the Internal Revenue Code 457(b) and elect for voluntary contributions from their payroll be deposited into a specified IRC 457(b) plan. A company with an established program shall administer the deferred compensation plan.

The City agrees to make available online account management features to participating members of the plan (such as updating contact information, beneficiary information, establishing and making changes to payroll deducted contributions). The City shall provide a match to individual employee contributions to the plan under the following terms: First \$500 at 100%, second \$500 at 75%, third \$500 at 50%, and next \$3500 at 25%, up to \$2,000 total.

The FOP shall be invited to attend the City's deferred compensation group for the purposes of representing its membership in the City's IRC 457 plan. Representation shall consist of at least one member who shall be selected by the FOP president to represent its members' interests. The FOP representative shall meet with the City's representative(s) and representative from the plan administrator/manager and participate in plan review at least semi-annually. The FOP acknowledges that this section in no way abrogates the City's fiduciary responsibilities under applicable laws and regulations.

Effective January 1, 2023, the Deferred Compensation section shall read:

A company with an established program shall administer the deferred compensation plan.

The City agrees to make available online account management features to participating members of the plan (such as updating contact information, beneficiary information, establishing and making changes to payroll deducted contributions). The City shall provide a match to individual employee contributions to the plan under the following terms: First \$1000 at 100%, second \$1000 at 75%, third \$1000 at 50%, and next \$3000 at 25%, up to \$3,000 total.

The FOP shall be invited to attend the City's deferred compensation group for the purposes of representing its membership in the City's IRC 457 plan. Representation shall consist of at least one member who shall be selected by the FOP president to represent its members' interests. The FOP representative shall meet with the City's representative(s) and representative from the plan administrator/manager and participate in plan review at least semi-annually. The FOP acknowledges that this section in no way abrogates the City's fiduciary responsibilities under applicable laws and regulations.

Section 10 – Employee Assistance Program

The City, Department, and the FOP recognize that an employee or members of an employee's family can develop personal problems, not directly associated with the employee's job functions, that may adversely affect the employee's job performance and efficiency. These problems may be successfully resolved provided they are identified early and referral is made to the appropriate care and treatment facility. Such problems may involve substance dependency, including alcohol, tobacco, drugs, or chemicals; mental or emotional distress; marital or family problems; or financial or legal problems.

The Department and FOP support an Employee Assistance Program (EAP) to aid in identifying such problems and to provide appropriate referral to a resource able to successfully treat the identified problem. In accordance with the terms and conditions of the Agreement between the parties concerning an EAP, the City agrees to continue to provide, at no expense to the employee, an anonymous EAP.

- b. When an employee is returning to work from a sick leave of three consecutive days or more, the employee shall have a statement from his or her physician releasing them to return to work.
- c. In case of illness or accident where an employee is off for more than his or her accrued sick time, and he or she has used all available time off (vacation, compensation time, etc.), it shall be the employee's responsibility to apply to the Local Pension Board for disability leave. When disability leave is applied for, it shall be done in accordance with the state law governing policy pensions. If disability leave is not applied for or not granted, the employee's salary shall be discontinued until he or she can return to work.
- d. Police officers seriously injured in the line of duty status shall be paid for 60 work days from the time of injury at normal rate of pay, with no penalty to sick time, vacation time, comp time, or

After the 60-day period, must revert back to division (A)(3). Any PERF Disability payments received during the 60-work-day period, while being paid by the City, shall be returned to the City.

- e. Any extensive illness or injury that is not job-related, where a police officer that was employed after January 1, 1993, is unable to perform his or her duties for a period longer than 120 consecutive days, shall be referred to the Police Pension Board and the Board of Public Works and Safety for a final disposition. The City will assume its share of the cost for the police officer insurance premiums for a period of three months while such police officer is on sick leave. After such period of time, the City shall not be liable for the insurance premiums unless extended by the appropriate board. Such leave of absence shall not affect the police officer's employment seniority status. Such police officer shall receive his or her regular rate of pay until otherwise determined by the Pension Board and/or the Board of Public Works and Safety.

Section 5 – Sick Accrual

- a. Effective September 1, 2005, full-time sworn employees shall accrue sick leave hours at the rate of seven hours per month, starting the last day of the first full month of employment. Earned sick leave time shall be accumulated from year to year, not to exceed 960 hours total. Part-time employees shall not accrue sick leave.
- b. If an employee left his or her employment with the city prior to January 1, 2007, after serving at least 365 days of full-time employment, is then rehired within one year of separation from employment, and then completes an additional 365 days of full-time employment, he or she will receive prior service credit for years worked as a full-time employee, and shall be credited with the balance of his or her prior sick leave hours.
- c. Full-time employees hired prior to January 1, 2018, are entitled to payment of their unused sick time hours not to exceed a set maximum amount of hours. The set maximum amount of hours is established per employee. The maximum amount of sick time hours is determined and set at the highest balance of sick time hours the employee has accrued during the 2018 calendar year. Employees will be provided a letter of acknowledgment stating their set maximum amount of sick time hours. Once acknowledged and signed by the employee, the letter will remain in the employee's personnel file.
- d. The amount of hours accrued at the time of termination, not to exceed the set maximum amount of sick time hours per individual, will then be paid based on their years of full-time service with the City. If an employee leaves his or her employment with the City on or after January 1, 2007, after serving at least 365 days of full-time employment, is then rehired within one year of separation from employment, and then completes an additional 365 days of full-time employment, he or she will receive prior service credit for years worked as a full-time employee. However, the rehired employee will not receive sick time hours left unpaid to him or

her at the time of his or her termination date. The rehired employee will start their re-employment with the city with a zero sick time balance.

e. Payment of accrued sick time is as follows:

<i>Years of Full-time Service</i>	<i>Percentage of Sick Time Payout</i>
5 Years	30%
10 Years	50%
15 Years	75%
20 Years	100%

f. Payment will be calculated at the employee's current base rate, plus longevity rate, plus education incentive pay rate, and may be included in the employee's last regular earnings paycheck, if possible, or in a separate check. Full-time employees hired or rehired on or after January 1, 2018, are not entitled to payment of their unused sick time hours.

Section 6 – Family and Medical Leave

The City's policies regarding the Family and Medical Leave Act (FMLA) of 1993 and its subsequent amendments and Additional Leave are set forth and controlled by the City's Civilian Employee Personnel Policy Handbook.

Section 7 – Military Leave

The City's policies regarding Military Leave and Indiana Military Family Leave are set forth and controlled by the City's Civilian Employee Personnel Policy Handbook.

Section 8 – Jury Duty Leave

The City encourages employees to fulfill their civic responsibilities by serving jury duty when summoned. The pay of any employee who has received a subpoena for jury duty or as a witness will continue at the regular rate. All jury duty pay received by the employee shall be returned to the City to be credited against regular salary. Payment by the court to the employee for travel expenses at the prevailing rate may be retained by the employee.

Employees must show the jury duty summons to the department head or designated supervisor as soon as possible so the City may make arrangements to accommodate the employee's absence. The employee is expected to report for work whenever the court schedule permits. Either the City or the employee may request and excuse from jury duty if, in the employer's judgment, the employee's absence would create serious operational difficulties.

If an employee is released from jury duty with more than half of his/her regularly scheduled shift remaining, the employee is expected to report to work.

The City will continue to provide and accrue all regular benefits for the full term of the jury duty absence. Such time spent on jury duty shall be counted as hours worked in calculating overtime.

Section 9 – Court Time

Any police officer who is required to be in court or to meet with the prosecutor's office during their off-duty time shall receive either pay or compensation time off for each court appearance or meeting with a two hour minimum. This pertains only to court appearances related to the activities of the Police Department.

Section 10 – Bereavement Leave

- a. Police Officers are entitled to paid bereavement leave as of their date of hire. An employee wishing to take time off for the death of a family member should notify the officer in charge immediately.
- b. Employees are eligible for leave with pay to attend the funeral of a relative or other member of the household. Such leave may be granted upon the death of:
 1. A spouse;
 2. A father, mother, son, step-son, daughter, step-daughter, brother, half-brother, step-brother, sister, half-sister, step-sister, grandparent, grandchildren, step-grandchildren, aunt, uncle or the spouse of any of these;
 3. Persons listed in #2 above that are members of the employee's spouse's family;
 4. A person living in the same household with the employee.
- c. Three working days in conjunction with the date of death or the funeral shall be granted to the employee. If the funeral site is over 250 miles from Noblesville, 5 scheduled working days in conjunction with the date of death or funeral shall be granted unless the employee requests less time.
- d. Exceptions may be granted at the discretion of the Chief of Police.

Article X - Grievance Procedure

Section 1 - Grievance

- a. Definition - A grievance is a good faith complaint, dispute or controversy in which it is claimed:
 - 1. That either party has failed in an obligation under this Agreement, and;
 - 2. Involves the meaning, interpretation or application of this Agreement.
- b. Both parties agree that all grievances should be dealt with promptly and every effort should be made to settle grievances as close to the source as possible. Should the City and/or Department fail to act within the time limits herein, the grievance shall be deemed denied as of the expiration date for City action, which shall immediately begin the timeline for the FOP to proceed under this Article X. Should the FOP fail to comply with the time limits herein, the grievance shall be considered forfeited and waived. Time limits may be extended by mutual consent of the Department and the FOP.
- c. The Noblesville Police Department Merit Commission (hereinafter "Merit Commission") has the authority to determine if a claim is made in bad faith. If the Merit commission, in its sole discretion, determines a claim: 1) does not have merit, and; 2) was not made in good faith, it may order the grievant or the FOP (if the FOP supported or filed the grievance) to reimburse the City for attorney's or cost of defending a claim up to \$500.00 as determined by the Merit Commission.
- d. The word "day" shall mean calendar day, excluding Saturdays, Sundays and City legal holidays, for the purpose of this Article X.
- e. The following procedure shall be utilized when a grievance is initiated by an employee, a group of employees, or the FOP:

Step 1: A grievance may be presented orally or in writing to the FOP President (or his/her designee) within ten (10) days of the occurrence of the event causing the complaint, dispute or controversy or within ten (10) days after it became known to the employee. The President or designee will attempt to settle the matter informally with the Department within three (3) days of being presented the grievance. If the matter is not settled in that time, the matter will be referred to the FOP Board to determine if the grievance has merit. The matter must be heard and decided by the FOP Board no later than ten (10) days after the grievance was submitted to the FOP President.

Step 2: If the FOP Board determines the grievance has merit and is made in good faith, the matter will proceed with the support of the FOP. If the FOP Board, after a hearing with the grievant, determines the grievance does not have merit or is not made in good faith, the grievant may take the grievance to Step 3 of this procedure without the support of the FOP.

Step 3: The FOP or aggrieved member shall reduce the grievance to writing. The written grievance must be presented to the Chief within five (5) working days after the hearing before the FOP Board. The written grievance shall be delivered to the Chief no more

than twenty-five (25) days of the occurrence of the event causing the complaint, dispute or controversy or within twenty-five (25) days after it became known to the employee, as determined by the Chief. The Chief shall issue a written decision regarding the grievance within ten (10) days after receipt of the written grievance.

Step 4: If the grievance is not settled at Step 3, the FOP or aggrieved member may appeal to the Merit Commission by delivering to the Merit Commission a written appeal within ten (10) days after receipt of the Chief's written reply in Step 3. The Merit Commission may hold the hearing at its next regularly scheduled meeting or schedule a meeting specifically to hear the grievance. However, unless all parties agree otherwise, the hearing must take place no later than thirty (30) days after receipt of the appeal and must give at least six (6) days' notice of the time and place of the hearing.

- f. Merit Commission's Jurisdiction: The Merit Commission shall be expressly limited to the meaning, intent, or application of the provisions of this Agreement. It shall have no power to add to, detract from, or alter in any way the provisions of this Agreement, including increase City or Department appropriations, budgets or taxes.
- g. Effect of Merit Commission's Decision: The decision of the Merit Commission shall be in writing. Either party may appeal the decision of the Merit Commission in civil court within thirty (30) days of the Merit Commission's decision. The City shall be named as the sole defendant.
