**TO: NOBLESVILLE BOARD OF PUBLIC WORKS AND SAFETY**  
**FROM: ANDREW RODEWALD, PROJECT MANAGER, ENGINEERING**  
**SUBJECT: ROAD CLOSURE OF PLEASANT STREET AT 19<sup>th</sup> STREET AND 19<sup>th</sup> STREET**  
**NORTH OF PLEASANT STREET**  
**DATE: JANUARY 28, 2024**

---

Throughout 2024, utility relocation has been ongoing in the Pleasant Street Phase 2 corridor. That work is in the final stages, allowing roadway construction to soon commence. The remaining items of work for an extensive Indiana American Water relocation have been determined to need the daytime closure of roadways within the project area.

IAW has completed a redesign of their original plan to move a roadway crossing of 19<sup>th</sup> Street north of the Post Office driveway. This will allow access to the Post Office to be maintained from Pleasant Street. IAW has requested a closure of two days, during work hours only. The roadway will be reopened in the evening.

In addition, a deep crossing just west of the 19<sup>th</sup> Street roundabout will be necessary to install service to the Hamilton County Fairgrounds. This line is approximately 12 feet deep and equipment size necessitates the need to close the roadway to maintain a safe environment. As eastbound traffic in this location will already be detoured, the contractor goal will be to complete the westbound lane first, and be able to reopen this as work proceeds to the south. IAW is requesting three days of closure, during work hours only.

**I recommend the Board of Public Works approve the daytime closures of Pleasant Street and 19<sup>th</sup> Street for Reimagine Pleasant Street Phase 2.**

In advance, I greatly appreciate your consideration of this request.
