G. **Community.** Applicant acknowledges, as a business within Noblesville, its obligation (and that of its employees) is to fully engage with the community and support groups, organizations, initiatives, and institutions that contribute towards the betterment of Noblesville. However, nothing contained in this Agreement shall be construed as creating either a joint venture or partnership relationship between the City and the Applicant or any affiliate thereof.

I. **Termination.** Notwithstanding any other provision, if the Applicant has not completed the Project within eighteen (18) months after the identified completion dates herein, the City shall have the right to terminate this Agreement and shall have no other further responsibilities hereunder.

ARTICLE V. ECONOMIC DEVELOPMENT INCENTIVES

In consideration and as a material inducement for Applicant fulfilling the Applicant Commitment, the City shall provide certain incentives as follows:

A. **Abatement.** Pursuant to and consistent with Ind. Code § 6-1.1-12.1 *et. seq.* (the "Act"), the City shall cause the Project Location to be designated as an economic revitalization area ("ERA") and shall complete the required procedural steps to grant the Abatement.

B. **Tax Abatement Fee.** As provided by Indiana Code § 6-1.1-12.1-14, the Applicant shall pay, or cause tenants at the Project Location to pay, to the Hamilton County Auditor an annual five percent (5%) fee of annual tax savings realized during the term of the Abatement as a result of the Abatement. The Hamilton County Auditor shall distribute such funds annually to the following:

Noblesville Redevelopment Commission
Attn: Andrew Murray - Economic Development Director
16 South 10th Street
Noblesville, IN 46060

Such funds will be deposited for the general use of the Noblesville Redevelopment Commission to promote economic development within the corporate limits of Noblesville.

ARTICLE VI. COMPLIANCE AND INCENTIVE TERMINATION

A. **Compliance/CF-1 for Real Property and Personal Property.** By or before April 15th of each year of the Term, Applicant shall file a certificate of compliance, Indiana Form CF- 1/Real Property with the City's legislative body and the Hamilton County Auditor showing the extent to which there has been compliance with the Statement of Benefits submitted for the Project.

B. **Additional Compliance Information.** Further, during the Term, the City may reasonably request additional information from Applicant concerning fulfillment of the Employment Commitment for the sole purpose of determining compliance with the Statement of Benefits for the Project, which may include wage rates, salaries and benefits and Applicant shall use reasonable efforts to cause tenants at the Project Location to provide such information to the City with adequate written evidence within twenty (20) days of such request.

C. **Right to Abatement Termination, Reduction and Repayment.** The City reserves the right to terminate the tax abatement deductions, reduce the tax abatement and/or seek repayment of a portion of the tax abatement savings realized by Applicant calculated based on the level of non-compliance, if it determines that the Applicant has not substantially complied with the Employment Commitment or the Minimum Investment Commitment.

D. **Notice of Termination and Repayment.** Notwithstanding the foregoing or anything in this Agreement to the contrary, in the event the City makes a determination that the tax abatement deductions should be terminated, reduced

and/or that any of the tax abatement savings should be repaid, the City shall provide preliminary notice (the "Preliminary Notice") to Applicant of such determination, including a written statement calculating the amount due from the Applicant and an opportunity to meet with representatives of the City within fifteen (15) days after the date of the Preliminary Notice ("Notice Period") to show cause and discuss the City's determination and provide an opportunity for Applicant to submit information regarding the reason for any shortfall or delay in substantially complying with the Employment Commitment or the Minimum Investment Commitment.

E. Abatement Hearing. If (a) the City determines after meeting with Applicant following issuance of the Preliminary Notice that the ERA designation or the Abatement should be terminated, reduced, and/or repaid; or (b) Applicant does not request a meeting within the Notice Period, the City shall give Applicant final notice (the "Final Notice") of such determination and provide Applicant an opportunity to appear at a City Council meeting to show cause why the ERA designation and/or the Abatement, as applicable, should not be terminated, reduced and/or repaid. Applicant shall have fifteen (15) days from the date of the Final Notice to confirm that it desires to be added to the City Council's next agenda and to provide evidence concerning why the ERA designation or the Abatement should not be terminated. If the City Council adopts a resolution terminating the ERA designation and/or Abatement, Applicant shall be entitled to appeal the determination to a Hamilton County Superior or Circuit Court.

F. Time of Repayment. In the event that the City requires repayment of a portion of the tax abatement benefits as provided hereunder, it shall provide Applicant with a written statement calculating the amount due ("Statement"), and the Applicant shall make such repayment to the City within thirty (30) days of the date of delivery of the Statement, unless such repayment has been stayed pending an appeal. If the Applicant does not make timely repayment, the City shall be entitled to all reasonable costs and attorney's fees incurred in the enforcement and collection of the tax abatement savings required to be repaid hereunder.

ARTICLE VII. TAX COVENANT

Applicant acknowledges and agrees that the City's designation of the ERA and grant of the Abatement is, in part, based on estimated annual taxes that the City will receive as a result of the Applicant Commitment. As further consideration for the Abatement, Applicant agrees to waive the right to appeal property taxes on the Project for five (5) years following the final deduction benefit for each respective building within the Project unless (i) the initial assessment is in excess of actual hard construction costs; or (ii) if a trending assessment or reassessment increases the assessment for the building to an amount in excess of 110% of the initial assessment amount. This

covenant shall not prohibit Applicant from applying for, seeking, or claiming, a reduction of assessments or a refund of property taxes if Applicant reasonably determines that the assessments or tax statements are incorrect as a result of mathematical error.

ARTICLE VIII. SUCCESSORS AND ASSIGNS

The Applicant specifically acknowledges and agrees that its respective obligations pursuant to this Agreement shall inure to the benefit of and be binding upon and enforceable against Applicant and its heirs, executors, administrators, successors, and assigns. In any merger, acquisition or assignment of assets, such obligation shall continue as a liability of Applicant and shall be disclosed as a binding obligation and liability of Applicant and any successors in interest. Notwithstanding the forgoing, Applicant shall have the right to assign this Agreement and Applicant's obligations hereunder to a purchaser of the Project Location, provided that it first obtains the City's consent for the same, which shall not be unreasonably withheld.

ARTICLE IX. AUTHORITY

A. **City.** City represents and warrants that it has full constitutional and lawful right, power, and authority, under currently applicable law, to execute and deliver this Agreement upon proper approval by the City. The performance by the City of its obligations under this Agreement shall be subject to completion of such procedures as are required by law.
