ITEM #: 13

INITIATED BY: Andrew Rodewald

- ☒ Information Attached
- ☐ Verbal
- ☐ No Paperwork at Time of Packets

TO: NOBLESVILLE BOARD OF PUBLIC WORKS AND SAFETY
FROM: ANDREW RODEWALD, PROJECT MANAGER, ENGINEERING
SUBJECT: ROAD CLOSURE OF HAGUE ROAD BETWEEN SR 32 AND SR 38
FOR PLEASANT STREET PHASE 3
DATE: MAY 13, 2025

As part of ongoing Pleasant Street - Phase 3 construction the next major upcoming activity is the construction of the roundabout at the existing SR 32 and Hague Road signal. This signal will be converted to a roundabout, with a new southern leg being constructed as Pleasant Street.

The roundabout will include two tunnels for pedestrians, one on the west leg for the Hague Road Trail, and one on the south leg for the Midland Trace Trail. During preliminary design, the possibility of safely constructing these tunnels under and near SR 32 was determined to not be feasible. Further construction timeline discussions led to the decision that closing the intersection to complete the entire roundabout would be the shortest overall duration, safest for motorists and construction workers, and most cost effective.

In order to minimize the duration of a SR 32 closure, the contract documents were written to allow for Hague Road (the north leg of the future roundabout) to be closed for a period prior to closing SR 32. The contractor has provided a preliminary schedule requesting the closure of Hague Road beginning June 2, weather permitting. The closure of SR 32 would occur immediately following the Independence Day holiday weekend, approximately July 7. Both roadways are scheduled to reopen in early October, with the new southern Pleasant Street leg remaining closed as that portion of the project is completed. We anticipate full opening of the roadway in November.

SR 32 is under INDOT jurisdiction and all necessary approvals and collaboration are in hand for the closing of that roadway.

I recommend the Board of Public Works approve the closure of Hague Road between SR 32 and SR 38 as part of Pleasant Street Phase 3.

In advance, I greatly appreciate your consideration of this request.
