APPROPRIATION TRANSFER RESOLUTION  
101 GENERAL FUND

WHEREAS, certain fiscal demands have developed since the adoption of the current Civil City annual budget so that it is now necessary to add appropriation authority from available unappropriated reserve balance in a fund.

WHEREAS, all full-time City employees receive formal performance evaluations on a routine basis in coordination with the Human Resources Department.

WHEREAS, the City administration seeks to enhance the role of performance-based pay in the compensation for civilian employees.

WHEREAS, a state-of-the-art performance management software is necessary to modernize the City's performance management process, add comprehensive performance analytics, and expand reporting capabilities.

WHEREAS, the 2025 Adopted Budget includes a \$600,000 appropriation from the General Fund to the Non-Departmental budget to establish a contingency reserve which may be transferred to City departments to support eligible expenses.

WHEREAS, \$600,000 of that contingency reserve remains available.

WHEREAS, this is a request to reallocate appropriation authority from the contingency reserve for a recurring purpose.

WHEREAS, an appropriation transfer for a recurring purpose increases the City's base budget for the ensuing fiscal year and the base budget impact of this action is \$13,500.

NOW, THEREFORE, to address such demands for the General Fund:
