TO:Noblesville Board of Public Works and SafetyFROM:Patty Johnson, Street CommissionerSUBJECT:Board to Consider Memorandum of Understanding with Keep Noblesville
BeautifulDATE:January 23, 2024

Attached is the Memorandum of Understanding between the City of Noblesville and Keep Noblesville Beautiful for 2024. Please feel free to contact me if you have any questions.

I recommend the Board of Public Works approve the Memorandum of Understanding for Keep Noblesville Beautiful.

Keep Noblesville Beautiful (KNB) is non-profit community improvement organization dedicated to enhancing Noblesville's natural beauty through a variety of service projects, educational programs and provide design input on City project initiatives when appropriate. KNB is modeled after the Keep America Beautiful model and draws significant inspiration from Keep Indianapolis Beautiful.

KEEP AMERICA BEAUTIFUL

we believe in the shared responsibility to build and maintain clean, green, and beautiful spaces. That's why we take action every day to improve and beautify communities across America. Through collective impact, we can ensure that everyone in America lives in a beautiful community. Keep America Beautiful (kab.org)

KEEP INDIANAPOLIS BEAUTIFUL

Our mission is to engage diverse communities to create vibrant public places, helping people and nature thrive™. Keep Indianapolis Beautiful, Inc (kibi.org)

However, KNB has adapted its mission to meet the specific needs of the community through a grassroots approach to community involvement and engagement. Our ongoing evolution also includes an evaluation of the 4 pillars of the Jensen administration.

Comprehensive Workforce & Economic Development

Community development equals economic development. KNB facilitates opportunities, support, coordination and equipment for corporations and school groups to connect to neighborhoods and the greater community to fulfill "day of service" or corporate philanthropy missions. In addition to these on-going programs, KNB provided 6 program options this year during SERVE week.

Public Health & Safety

The mental health benefits of spending time outside and spending time volunteering are very well documented. 100% of KNB programs, all outdoors, provide both opportunities for increased mental and physical well-being. In addition, beautification projects create a sense of pride and can actually reduce crime, in particular property crimes.

Downtown, Culture, & Recreation

Downtown beautification projects are top priority and have included a partnership with Parks Department for Green Space Improvements at Federal Hill, Forest Park, Hobbs Station (coming soon) and Riverside Cemetery. In addition, the Roundabout art program is adding the public art and culture inventory in Noblesville.

Roads & Infrastructure

KNB annually spearheads 3 Highway 37 beautification and clean-up projects along a 3-mile stretch including volunteer coordination, tools and equipment. KNB was a key partner for the review of RFP's and selection of the Roundabouts beautification team. KNB's ongoing art initiative includes installation of art in several of these roundabouts. KNB is currently coordinating a Midland Trail clean-up.

Thank you for the on-going support from the City of Noblesville and the opportunities this Public Purpose grant provides KNB to expand its mission and community engagement.

In addition to the scope listed in the MOU, the Board is always exploring opportunities to expand our mission and scope. The entirely volunteer board was able to maximize the public purpose grant and extend our mission through fund raising efforts. Our annual Fall mailer to past donors has produced approx. \$2,500 and we have received \$22,500 in a grants, in addition to the generous \$10,000 public purpose grant from the City of Noblesville and approx. \$20,000 from the mayors soiree. In 2023, KNB has produced \$6,000 art sponsorships, \$3,500 from a direct mailer to new members. Farmers market, other community events direct ask and plant sales generated approx. \$500. KNB will continue to pursue grant opportunities.

We cannot expand fund raising and continue program expansion without some permanent infrastructure including an Executive Director. KNB will Seek a Part-Time Paid Executive Director in the first quarter of 2024

- Facilitator of grant writing and other funding opportunities not available to a group without a director.
- Structure programming and details of the organization and re-write strategic plan
- Increase membership opportunities by raising awareness of (KNB) and it critical mission
- Partner and provide support to the cultural arts district
- Self-fund the position after the first year through new sponsorship and membership opportunities
