Reports

- 1. Recreation Report
 - a. Nichole Haberlin gave the Recreation Report, (see attached). The Recreation Department had 2330 participants in May and are coming to the end of season with Ivy Tech in July. We will cut a fiscal year end check to Ivy Tech this July. The team at Ivy Tech is excited for the new relationship with P.R.I.D.E that is getting ready to start this summer. P.R.I.D.E will offer camp classes in the Ivy Tech Gym. On My 17th the Carousel Corner was opened at Forest Park. We have had a very successful start to the season, the team members are still learning, but they are already doing well and the carousel and concession stand having steady business already.
- 2. Director of Golf Report
 - a. Gary Deakyne gave the Golf Report (see attached). Gary stated that obviously being down from 2018 is not what we were looking for, but if you look at the report, the days that are slightly gray colored are the days we had a significant amount of rain. So we are not happy with being down, but with the weather we have been experiencing we are pleased with what we have made. Our maintenance staff has done an amazing job being able to fix problems and getting the course available to play as soon as the rain had stopped. We have had our meetings with Mr. Keegan, while we are waiting on his complete report, we have already starting work on, as well as completing, some of his

suggestions. In a week or two we should have a draft of the report. Brandon Bennett will then be meeting with everyone that was interviewed and go over the report with them individually. Brandon Bennett will be setting a date for a joint Park Board/Council meeting to go over Mr. Keegan's finding before making the report public. Brandon Bennett would like to give a big hand to the Golf staff for their work on the course during the very wet late spring/summer. We appreciate all of their hard work and dedication.

3. Assistant Director Report

a. Mike Hoffmeister gave the Assistant Director Report. Mike stated that you can see the list of events at the bottom of the agenda. Dillion Park is ready to go for concerts tomorrow even with the rain, the park was built with great drainage. We had the Bed Race and Street Dance, we had a really good turnout at both events, but had to shut down the Street Dance just a little early due to lighting. Before we meet again we will have our 4th of July event. The 4th of July Festival is being held at Forest Park and the fireworks will be shot off at Forest Park Golf Course. The Golf Team has been incredibly receptive to the idea and has been helping get this planned and moving forward. We are going to be blocking all the greens with fencing as well as staff keeping people off. We expect people to sit on the hill as well as the radius around the park. State Road 19 will be closed during the festival for the safety of the people attending. Trolleys will be running the entire event, getting people from designated parking lots and bringing them to the event. We have really expanded the festival this year and look forward to putting on a fantastic event for the City of Noblesville. Finally, Mike stated that the Park Foundation Board is moving in the right direction discussing their mission and adding people to their Board.

OLD BUSINESS

- 1. Board to hear update about Forest Park Inn renovations-verbal.
 - a. Mike Hoffmeister gave the updated about the renovations. They have finished the drywall and should be starting to paint. We are hoping to be moved in on June 19th.
- 2. Board to consider Finch Creek Park Change Order #6
 - a. Brandon Bennett presented the update about Finch Creek Park Change Order #6. Attached you will find the minutes by Myer's Construction from the last meeting. Initially the park was supposed to be open the end of May, but due to weather we have been continuously delayed. We are tentatively going to be opening up at the end of August, but still may have to move it back further. Finch Creek Park came in over budget so we had to do some value engineering and redesign on a few aspects of the project. Myers has been good to work with to get these portions of the project within our budget. The changes include the check valves outside all buildings for Sanitary service, upgrading the door hardware to an electronic strike system, asphalt mobilizations and wedge, the addition of roof snow guards, and converting a glass screen wall to frosted acrylic. Mr. Noel moved to approve Finch Creek Park Change Order #6, Mr. Thurston seconded, the motion passed unanimously.
- 3. Board to hear update on Railyard auction
 - a. Brandon Bennett presented the update on the Railyard auction. The majority of the remaining rail cars that are at the old ITM site are now on auction. That auction is open until Thursday. There are probably 40-50 cars as well as piles steal or metal. Once the auction closes the auctioneer will write contracts with each of the buyers. The buyer then has 5 days to wire the money to the auctioneer, then we will get the money wired to us the next day. The auctioneer will design the schedule to have everything that was purchased off the old ITM site by September 1st. In the meantime, whatever is not purchased, we will have a scrapper come in, dismantle the cars, remove them, and then sell them for whatever the price of steal is at the time.

NEW BUSINESS

- 1. Board to consider a contract amendment with Context Design.
 - a. Brandon Bennett presented the proposed amendment to the contract with Context Design. This is an amendment based on the additional utility design coordination, the substation completion date moving, as well as some other issues we have faced. This is an honorable request that is a do not exceed \$5,600 amendment that would be paid for out of the impact fees. Mr. Noel made the motion to pass the contract amendment with Context Design, Mr. Thurston seconded, the motion passed unanimously.

With no other business to discuss, Mr. Thurston made a motion to adjourn and Mr. Noel seconded this motion. Mrs. Dyer adjourned the meeting at 6:30pm.

Next meeting: Wednesday, July 10, 2019; The Green Room @ 6:00pm

NOBLESVILLE PARKS AND RECREATION REPORT JUNE 2019

<u>Enrollment:</u> We had 196 participants in programs including, which was a decrease of 392 participants from June, 2018. This decrease is related to not having staff scheduled to work with Miller Explores camp this summer. Rec2Go was booked with Playschool twice in the month of June with 120 participants each event.

Noblesville Park Board

Wednesday, July 10, 2019

Subject:

Board to consider MOU with Legacy Christian School In-House Resident for Recreation

Annex

Applicant:

NA

Agenda Item:

New Business #1

Summary:

Board to consider MOU with Legacy Christian School at a reduced rate from \$50 to \$30 an

hour for Game Day event with the possibility to reduce up to \$1,000 with volunteer hours.

Recommendation:

Staff recommends approval of MOU as presented

Prepared by:

Nichole, CPRP, Recreation Director

Department of Parks and Recreation

City of Noblesville

nhaberlin@noblesville.in.us; 317-776-6350

Park Terms and Definitions:

Summary:

Legacy Christian School does not have a functional gym facility due to low ceilings. We propose legacy can earn \$10 off per 1 volunteer working per hour. These volunteer hours will assist with massive event cleanup such as Indiana State Teachers Association, Gymnastics Meets, and Auditorium rentals. This reduction cannot exceed \$1,000.

Background:

Legacy Christian School has rented for two years in the Recreation Annex. They started with Basketball and have increased with volleyball. As a private school they need the partnership to stay within their annual athletic budget.

Recommendation:

Staff recommends approval MOU with Legacy Christian School.

Memorandum of Understanding Recreation Annex Gymnasiums

Between

Noblesville Parks and Recreation Department (PARKS) 701 Cicero Road Noblesville, IN 46060

And

II.

Legacy Christian School 470 N Lakeview Drive Noblesville, IN 46060

- Purpose and Scope
 - The purpose of this MOU is to clearly identify the partnership between the Noblesville Parks & Recreation Department and Legacy Christian School.
 - 2. The purpose of this MOU is to identify a School-in-Residence at the Recreation Annex Community Gym (300 North 17th Street, Noblesville, IN 46060).
 - 3. PARKS will provide reduced rental rate of \$50.00/hour to \$30.00/hour for either the College or Community Gym as scheduling allows for full gym rentals (Game Days). Practices and games will be scheduled based on availability of the gymnasium spaces.
 - 4. LCS will provide cleaning personnel for their own rental to remove all trash, clean and sweep all bleacher areas, dust-mop gym floor before/after each event and mop as needed.
 - 5. PARKS will reduce rental rates for LCS at rate of one volunteer to be equal to \$10.00 off per hour worked by the volunteer for *non-LCS rental events* in the Recreation Annex. For example: 10 volunteers working 2 hours for clean up after the Indiana Teachers Association would equal = \$200 in value off the original rates. Rental reduction cannot exceed \$1,000 for the school year.
 - The terms of this MOU will be for one (1) year with the ability to renew annually. This MOU will expire June 30, 2020.

| This MOU shall be in effect upon signature of the Noblesville Parks a Noblesville Parks & Recreation Board President | and Recreation Board. 1/10/19 Date |

Noblesville Park Board

Wednesday, July 8, 2019

Subject: Board to consider contracts with Civic Rec and Civic Engage

Summary: New recreation software and website development

Agenda Item: New Business Item #2

Recommendation: Staff recommend approving the contracts as presented

Prepared by: Brandon Bennett, Director of Parks

Department of Parks and Recreation

City of Noblesville

bbennett@noblesville.in.us; 317-776-6350

Park Terms and Definitions:

Summary:

There are two contracts we are recommending approval for. The first contract is for the Recreation software called CivicRec. That is the software we maintain all reservations, activity registrations, marketing and email database. It also allows the citizens to register online and through our website. This product is the best one that we have demoed, and we are very excited about the capabilities of this product. The cost for implementation is \$23834.62 which is fairly standard implementation cost. The annual cost of this product after implementation is \$6,637. CivicRec has offered an option that we want to exercise which is spreading the implementation cost over 3 years to help with budget. Attached is the contract which lays out the costs for the first 4 years. Essentially we would pay \$14582.26 each year for the first three years which includes that annual fee. Then in year four we would essentially have the implementation cost paid off so we would then only owe \$6637.39 annually thereafter. To give you an idea we are currently paying a percentage of our revenue to our current provider, Activenet, annually which varies depending on how much revenue we generate. In 2018 we paid \$20,000 in fees. So this would save us a substantial amount of money making this move. The new software is better, better for marketing, and will allow us to do more with less expense.

The Second contract we are asking for consideration is for a new website called Civic engage for the department that will be done by the same company so the rec software and the website will work hand in hand. As with the rec software, the web software is offered on a three year term finance free. The cost for the first three years would be \$10,110.23. This cost also factors in the annual cost of \$5204.07. So like the rec software we will be paying the \$10k each year for three years then the 4th year we are only paying the annual fee of \$5k. The biggest selling point is for this new website besides user friendliness, is the ability to integrate a public calendar for all events that we are involved in. One of the goals we have had for years is a central housing point for all city events, not just park related. We can mostly accomplish this with this site and make accessible to the public. This will help us to have other events on the calendar other than just what the parks are doing such as nickel plate arts, city alley activation events, etc.

Background:

You gave a email approval for the go ahead on these contracts and this just formalizes the process.

Recommendation:

Staff recommend approving the contracts with Civic Rec and Civic Engage.

In the event Client's Actual Processing Volume exceeds the Predicted Processing Volume, CivicPlus will notify client within 30 days of the audit of the Actual Processing Volume and the applicable increase in the Annual Fees resulting from such Actual Processing Volume. The increase in the Annual Fees shall be implemented the first of the month following the notice.
- 8. All amounts owed to CivicPlus hereunder are fully-earned upon provision of the Services Provided, as described in Addendum 1, and are not subject to withholding or off-set in any manner whatsoever, such amounts are non-refundable upon payment subject only to a clear demonstration of an accounting error. Client expressly acknowledges and agrees that Client is familiar with the proposed Services Provided and CivicPlus' billing process.
- For the purposes of obtaining merchant account services through CP Pay, Client may utilize the designated 9. merchant account for CivicRec through an integrated partnership with OpenEdge ("CP Pay Merchant"). In the event Client chooses CP Pay Merchant, Client will enter into a merchant account agreement with OpenEdge. Such agreement's terms and conditions will solely enure to the benefit and obligation of Client; CivicPlus shall not be a party to such agreement. In the event Client chooses CP Pay Merchant, CivicPlus will facilitate Client and CP Pay Merchant communication for contracting purposes and shall integrate the CP Pay Merchant account processor at no charge to Client. Client agrees to comply with all terms and conditions of the resulting merchant account agreement and pay all fees required to maintain the services. If Client desires to use an integrated merchant account processor gateway besides the designated CP Pay Merchant, an integration fee will be included in Client's implementation fees. Client agrees to comply with all terms and conditions of the resulting merchant account agreement and pay all fees required to maintain the services. Client acknowledges that the fees set forth in this SOW do not include any transaction, processing or other fees imposed by Client's merchant account processor. Client is fully responsible for their relationship with their selected processor. In no event will CivicPlus: take part in negotiations, (ii) pay any fees incumbent on the Client or merchant account, or (iii) acquire any liability for the performance of services of any chosen merchant account processor, including CP Pay Merchant.

10. When Client uses CP Pay, then Client may take online credit card payments for certain services or products they provide via the Client websites supported by CivicPlus. As such, through CP Pay, CivicPlus facilitates an automated process for redirecting credit card payments to Client's chosen payment gateways / merchant account processors. For card payments, CivicPlus will redirect any payments processing to the Client's merchant account processor gateway, and the merchant account processor gateway presents the payment form page and processes the card payment. CivicPlus does not transmit, process or store cardholder data and does not present the payment form. CivicPlus implements and maintains PCI compliant controls for the system components and applications that provide the redirection services only.

Wednesday, July 10, 2019

Subject:

Park Board to consider creating a new full time staff member for the Recreation team who

will focus on the Recreation Annex. Salary-around \$38,000. Hours-10:00am-6:00pm

Thursday through Monday.

Summary:

Park Board to consider creating a new full time staff member for the Recreation team who will focus on Recreation Annex gym rentals, event rentals, Auditorium rentals, pickleball and development of programs to be hosted at the Recreation Annex. The position would

also be weekend event staff back-up.

Recommendation:

Staff recommends approval of the agreement for new full time staff member and an

additional appropriation of \$17,000 to the 110-022-111.100.

Prepared by:

Nichole Haberlin, CPRP, Recreation Director

Department of Parks and Recreation

City of Noblesville

Park Terms and Definitions:

Summary:

Due to the increase in rentals, pickleball and auditorium events at Ivy Tech Community College the Noblesville Parks and Recreation Annex, we need a staff member dedicated to the relationship with Ivy Tech, an event day coordinator and the increase and development of the Auditorium shows and programs.

Background:

October of 2015, Noblesville Parks started the partnership with Ivy Tech Community College splitting revenue of \$20,000 50% and then 10% thereafter for all gym rentals. We accomplished \$18,031.25 in our first 8 months. Year two, we had gross revenue of \$46,043.71 with a 50% split and 20% split after \$20,000. Year three 2017-2018, we had a gross revenue of \$74,380.00 with grand total of 26,520 participants using the facility with 15 special events. We also acquired the Auditorium as part of the lease agreement with all the revenue being split at 40/60%, parks receiving the greater. This season we spent \$13,000 in part-time staffing and it took about 80% of my full time support.

2019 Parks Fiscal Year Revenue Predication:

| Annex Rental | Total Gross | Approximate Net | |
|--|---------------------|-----------------|--|
